

## The Farm Walk

Wooden posts with **red** painted tops have been placed along the route of this walk, to assist you.

Starting at the car park in Park Road, Holkham Village, turn right and enter the Park via the north gates. From here turn right and follow the woodland track until you reach, on your left, The Monument, which was completed in 1850 in memory of Coke of Norfolk. Bearing left, follow the track through the trees down towards the lake to your right, and continue across the parkland in the direction of Holkham Hall. At the Hall you will join the main drive through the Estate. Continue in a southerly direction, past the 17th Century Ice House and head towards the Obelisk. Exit the Deer Park via the gate to the right of the cattle grid up to the Obelisk, remembering to close the gate. At this point, a glance backwards bears evidence to the fact that the Obelisk, the centre of the Hall and The Monument to the north, all stand in a direct line. Continue down the hill on the South Drive until the first crossroads and turn right. This track takes you through arable land to another crossroads. Turn left and head towards Scarboro' Wood and then Scarboro' Clump. At the end of Scarboro' Clump turn left along the track to rejoin the main South Drive. Cross over the main avenue and follow the track between open fields, passing Green Clump on your left and Ridge Nut on your right. Ahead lies the Great Barn, a listed building built in 1790 and the site of the Holkham Sheep Shearings. From here follow the road round to the left and back towards the South Drive. Turn right and retrace your route past the Obelisk, into the Park and back to Holkham Hall. By following the main drive in a northerly direction, you will return to the north gates and Almshouses and have completed approximately 6 miles.

- DOGS ARE WELCOME IN THE PARK, BUT MUST BE KEPT ON THE LEAD AT ALL TIMES, TO AVOID DISTURBING THE DEER AND OTHER WILDLIFE.

Please see next page for a map of the Farm Walk.....
