

## Nature Trail

Our fascinating Nature Trail and Quiz, which follows the route of the Lake Walk, features 28 stops offering interesting facts about the diversity of the flora and fauna in the Park, from dragonflies to barn owls.

The first stop is located near the boat jetty on the north side of the Hall and is marked by a large painting of an owl.

You can visit as many stops as you wish, but you will see and find out most if you follow the whole route. The Nature Trail Quiz presents an added challenge. You can find the answers to the questions on the information boards at each stop — try to answer them before you lift the cover at the stop to see if you were right!

- DOGS ARE WELCOME IN THE PARK, BUT MUST BE KEPT ON THE LEAD AT ALL TIMES, TO AVOID DISTURBING THE DEER AND OTHER WILDLIFE.

Please see next page for a map of the Nature Trail.....
