

Bus Driver

We have a fabulous opportunity to join our team that would ideally suit people qualified and experienced in driving buses as well as someone looking for a different and exciting customer facing role as a conductor.

Our vision is to be the UK's most pioneering and sustainable rural estate. The Holkham Estate extends over 25,000 acres. The land and property-based activities include residential and commercial lettings, property development, arable and vegetable farming, forestry, country sports, an inn, a holiday park, beaches, car parks, admissions, cafes, shops, concerts and events. See www.holkham.co.uk for more information.

Wells Beach Bus

This is a great opportunity to set up and run a fantastic new seaside bus service at Wells-Next-The-Sea. The service will launch summer 2022 and run daily to the end of October.

We have recently invested in two exciting vehicles. The Sigma 7, a new state-of-the-art fully electric bus, is the first of its kind in the UK. This bus will form the backbone of the operation. On the busiest days of the summer, the Sigma will be joined by a real classic. Our 1951 Leyland Tiger has a stunning history working across the Channel Islands, Edinburgh and a return to Jersey before we imported it last year. It is a one of a kind with its open top and optional canvas roof.

The route is simple, an out-and-back on a private road that is 1 mile long with a turning point and bus stops at each end. The buses will transport visitors from Wells Football Club to Wells Beach Road car park. Payments by passengers will be card only and single fares. The storage area for the buses will be a short drive from the working route.

The Bus Driver Role

We are seeking experienced bus drivers who love to work in a customer focused setting. You will form part of the frontline driving team as a bus driver out on the road. You'll work on your own initiative and take ownership of your bus on its travels, looking after passenger safety and providing a great customer experience.

We are looking for confident communicators that get on well with people. You must be patient, a safe driver, reliable and calm under pressure. This role really would suit a bus enthusiast as our Tiger bus is a real gem and this presents a rare opportunity to be involved in a vehicle with a lovely back story.

You will be part of a team of bus drivers operating our two fabulous buses. There are several seasonal positions available running May to November or June to September 2022. Due to the nature of the operation, we can be flexible with the right candidates. We very much perceive these to be annual returning positions.

You must hold a Certificate of Professional Conduct and as minimum, a category D PCV driving licence. Experience working with customers, preferably in a tourism/leisure business is favourable. The role attracts a salary range from £12.00 - £14.00 per hour. Hours vary from 20 – 30 hours per week.
