Supplier stories - gin

Norfolk Gin

Artisan gin made to a unique recipe. Founded in 2014 and after 18 months of development Jonathan arrived at the excellent Norfolk Gin. Each bottle in the 24 bottle batch is hand filled, sealed and labelled by Jonathan and his wife Alison. The philosophy is that you should only need one good gin, and they believe Norfolk Gin is just that.

Black Shuck

Black Shuck started their journey in 2011 with afternoons spent gathering sloes in a quest to make the best sloe gin ever tasted. Following the success of their sloe gin, in 2013 they began work on their white label gin. Taking inspiration from the North Norfolk coast, two of the main botanicals used are lavender and sea buckthorn – creating a complex yet beautifully balanced flavour palate.
